

Club President's Address

I would like to thank Mandy Strano for offering to produce and co-ordinate the contents of our newsletter. This assistance will be greatly appreciated and gives us the opportunity to provide a more regular newsletter with useful content.

You may all start hearing news of the planned upgrade for Frye Park. Council has advised me that funding has been approved for 2009/2010, but work may commence in 2008/2009. This is a MAJOR upgrade and will be just the start of a fabulous facility for us to utilise in Clifton Hills. It has been a long time coming but will be well worth the wait.

Coach's News/Information

Some of the coaches would like to remind parents that the coach's positions, like all the positions in the club, are totally voluntary. While the coaches (and team managers) do the best they can to keep the teams running smoothly, parents' contributions are often really helpful. Some of the areas parents can help include:

- Setting up equipment on game day/at training
- Packing up equipment on game day/training
- Bringing fruit for the team
- Offering to be referee.
- Find out what time you should arrive on game days.

Please talk to your coach about ways in which you can contribute to the team.

Parents - if you are the first team to start training please ask for the keys and unlock the toilets - it is very important (for obvious reasons) that both the ladies and men's toilets are opened. Furthermore, would the last team to train at Frye Park please lock the whole building, including the toilets and switch the floodlights off. The floodlight switch is located at the edge of the main car park near the road

Extra equipment, such as weaving poles, small portable goals, hurdles, and a couple of change strips are now being kept at Frye Park, so please encourage your Coaches and kids to use them.

Team News

Under 7s - Numbats (formerly Koalas)

Adam and Steve would like to thank all the Koala parents for arriving 15 minutes early on away games for warm ups and 30 minutes early on home games to help set up the pitch. Good one!

The Numbats have had a tough season this year winning their first game of the season against the Warnbro Strikers (away) but losing the next nine games including one forfeit. This all changed on Sunday the 29th of June when Captain (for the day) Brodie McRae led the team to a 5:1 victory over Fremantle United, a team that had previously beaten us 6:0 (away) and 1:0 (home). For the last five weeks the Numbats have been training twice a week. With that, and the addition of Matthew Hibbert-Jones and Steve Hibbert-Jones (coach) the Numbats have made consistent improvements, finding their places and playing as a team. Well done and good work! Brodie McRae(C), Lyam Sbrana (G), Ethan Bellhouse, Dee-Jay Brouwer, Jamie Drewry, Matthew Hibbert-Jones, Ronald Moralee and Bowen Strano.

Under 15's

Our Under 15's have had a great first half to the season with only one loss and have been a prolific goal scoring outfit, along with a strong defence. The majority of this team has been together for a couple of years now and it is a pleasure to see the progress they have made in that time. It is likely they will hold a Top 4 position at the end of the season and be a strong prospect to move up a division next year. Good Luck Team!

Amateur and Seniors

Congratulations to our Amateur Team - they are holding a Top 4 spot on the ladder. If you have a chance, come down with family and friends to support our senior sides. The Amateurs and Amateur Reserves play every second week at home (Pries Park) along with our two Social sides.

Fundraising

A 'healthy' number of Entertainment Books were sold, raising \$455 in total for the club.

The Cadbury Chocolate Fundraiser has also been a great success with \$3087 raised so far. We are still waiting for the return of money from 20 boxes, so it would be appreciated if outstanding money or unsold chocolates were passed on to team parent representatives ASAP.

Thankyou for supporting the Kelmscott Roos. All proceeds go towards equipment supplied to the teams and their well deserved season wind-up celebrations.

If anyone has any concerns or queries regarding the chocolates, they can call me AH on 9398 8165. Thanks again.

Sue Bell.

Smoking

Would people choosing to smoke please use facilities correctly. No-one is to smoke inside buildings and we recommend going around the sides or rear of the buildings if you wish to smoke. No-one should be smoking near children.

Wind-up

After much discussion the end-of-season windup day has been set for: Sunday October 26th, from 11am onwards. Trophies will be handed out on the day.

This date and time was chosen to try and avoid clashes with other events such as: Finals, school holidays, long weekends, Perth Royal Show and the Kelmscott Show.

It is our aim for the newsletters to be sent out on the first Wednesday of every month. If any coaches would like to include news in the next newsletter the email address all you need to contact is send the information to roosnewsletter.optusnet.com.au Please mention "Soccer" in the subject heading to help pick the news from the spam. To make the September newsletter all articles need to be submitted by the 22nd August.

The newsletter is a way for our hard-working coaches and committee members to spread club news, but it is also an avenue for parents and players to be involved in the club. Any common questions or concerns that parents have with the club can be answered and printed in the newsletter where relevant, or passed on to the appropriate committee member.

Any team info, rules, gossip, news of glorious victories over daunting opponents or valiant defeats to unstoppable foes is welcome.

If you would like to receive the newsletter electronically, please contact us with your email details at the address mentioned above.
