Presidents note

Another great year! I find it unbelievable that it is so close to the end of the season and I am very proud that we have achieved so much.

Our amazing Amateurs are on the verge of winning Division 3 and being promoted 2 years in a row! This is virtually unheard of and a credit to the Coaches and Players. Furthermore, all of our Junior teams have performed admirably with the Under 15's finishing top of the ladder, Under 16's scoring an amazing amount of goals but finishing outside the top 4. The Under 14's and 13's also may have top 4 finishes, so there will be a number of Top 4 Finalists this year. Recently Martin's Under 12's attended an international tournament in Kuala Lumpur and a great time was had by all. The Small Sided Games (SSG) players are also doing very well, as an example this season Adam and Steve's U8's have won 36, drawn 2 and lost 4!

The introduction of SSG was new this year and was handled well by all concerned. A big thankyou to Adam Sbrana for coordinating them. Thankfully Football West have seen the light and made some small alterations which should make everyone happy next year.

A huge thankyou to ALL coaches and parent representatives who have helped to keep the club running smoothly. Team effort is all it takes for the successful running of a club.

Also a big thanks to our Committee who have worked tirelessly throughout the year.

Lastly, our new \$5 million facility is ready to be started and you will all notice the changes at Frye Park shortly. They will take over a year to implement but we will all be enjoying them soon.

I look forward to seeing you all at the end of year Windup where we can relax and have a fabulous day.

Player equipment

Parents are reminded that all players must wear shin-guards for protection.

All coaches are required to return the strip by Windup day (11th October 2009). Coaches are reminded to contact their parent representatives to ensure the strips are returned to them.

Suggestions

The Kelmscott Roos Soccer Club encourages constructive suggestions for improving the club. Please email suggestions to suggestions@kelmscottroos.com.au

Movement of the club

As you may recall Frye Park is being redeveloped and will bring the juniors and seniors to the same ground. The plans for this can be found on the website at the following link
<http://www.kelmscottroos.com.au/fryeparkredevelopment.html>.

Although Frye Park was due to be redeveloped in mid 2009 there have been some delays. We will endeavour to keep you informed, however as the end of season is quickly approaching the easiest way for us to do this is to put in on the 'News' section of our website,
<http://www.kelmscottroos.com.au/news.html>

There are still a small number of people who have outstanding fees. Please contact Jackie Rossi (Registrar) on 0415-319-676, (<http://www.kelmscottroos.com.au/contacts.html>).

Attached to this newsletter is a pre-registration form for next season. Please return it on Windup day. This will assist the Committee to run the club smoothly next year.

Sponsorship 2010

Would you like your business name advertised on a strip for 2010, to help the club financially and make the Kelmscott Roos Soccer Club the best looking club? For \$500 your business name will be placed on a team strip for two years and this is tax deductible! At this stage sponsors are required for U6's to U10's as we would like to have all junior & SSG players in the same club strip as the seniors. If you know of someone in business who would like to support the Soccer Club please direct all enquires or details of the company to Leith Woodland (Secretary) 0418-920-923. (<http://www.kelmscottroos.com.au/contacts.html>) and she will send them out a proposal. All ***sponsors details are required by end of October / November*** so we can get their logos on the new strips for the 2010 season.
